

Grants for Young Researchers

Selection criteria for the 10 AIDA Grants for Young Researchers

The Executive Board of AIDA will award ten Young Researcher Grants, each worth €300, to help cover expenses related to attending AIDA 16, which will take place at the University of Catania, Italy, from 23 to 26 June 2026.

Candidates can only apply for a grant after receiving the acceptance notification for their abstracts from the Organizing Committee of AIDA 16.

The applicants will be selected taking into consideration the following criteria:

1. The applicant should be enrolled in a Master or PhD programme.
2. The average income per capita of their country of residence, priority being given to the lowest.
3. Age: maximum 35 years old, priority being given to the youngest.
4. The priority is given to any applicant who has not received a grant before. If the number of applicants in this category is less than the number of grants, the Executive Board will take into consideration applicants who have received a grant before, with the condition that they have published the paper presented at the AIDA Conference in its Proceedings or in a peer reviewed journal.

Grant requests must be addressed to the General Secretary of AIDA, Bettina Leitner (bettina.leitner@univie.ac.at) using the attached application form.

The grants will be paid out in cash during the conference by AIDA's treasurer, Simone Bettega.

The Executive Board of AIDA.
